Specifications

Description

It's time for their first skating experience! Our new Twista Skates were designed to allow your little ones to gain confidence as they practice and go. It's unique! From learner skate to inline skate at the touch of a button!

Perfect for beginner skaters, our Twista comes with a unique patented 'Switch' technology that allows changing the modes from learner to inline as your little one gains confidence. An easy experience for them to learn how to skate.

The soft curved design ensures a safe skate for younger kids and no tools are required to switch between modes.
