No Need to Reach

An adjustable seat means finding the perfect sitting position is easy allowing them to always be comfortable when riding

Suited for Anywhere

Non marking rubber wheels allow for a silent roll with no troublesome marks on your floor.

Store and Go

The removable pedals store easily under the seat when you change modes.

Grows With Them

An adjustable handlebar allows the Velo Balance Bike to grow, just as they do.

Description

Versatile! From Trike to a Balance trainer mode

Designed to nurture a child's development towards independence and confidence while having fun, our Y Velo Trike is all about supporting your little ones on their cycling journey and growth. Designed with soft surfaces & hidden hardware, the Y Velo Trike ensures a safe, beautiful, and modern trike design for the perfect ride. Let them enjoy it!

When your little one is ready for a new challenge, transform the trike into a balance trainer by simply removing the pedals and pushing the flip button to rotate the wheels inside the frame. This mode is also great for storing the product away after use!
