Specifications

Description

Carve up the streets on the ultimate Y FLIKER scooter.

Yvolution just created the ultimate FLIKER with our patent pending FLEX TECHNOLOGY system to give users the sensation of skiing on the street. Flexing footplates connect the body with Fliker Pro through the feet, resulting in outstanding control and extreme speed. Carve and drift into turns like never before. Move faster, turn tighter. Fliker Pro.

Specially designed for kids from 7 years old, and with a brand new design, the Y Fliker now looks even cooler!

Yvolution Fliker Pro, carve up the streets!
